1961—Myra Westray—1989

## *We Salute You*

The Clintonia Staff Members are proud to dedicate the 1989 CLINTONIA to Myra Westray for her service to CHS.

Mrs. Westray graduated from Kenney High School in May of 1936. She attended Illinois State University from 1936-1939 and then married Kenneth Westray. She didn't return to college until the summers of 1958 and 1961. She received her B.S. degree on August 10, 1962.

During W.W. II she filled in as sheriff of Dewitt County while her husband was stationed in Italy. Her picture and an article about her being the first woman sheriff appeared in LIFE magazine. Her son Wes has since referred to her as "Pistol Packin' Mama."

Myra and her late husband Kenneth raised three

children; Mary, Kaye, and Ken (Wes) are very proud of their mom. Kaye said, "Mary recalls the impact mom's returning to college with three children and a home to run had on her. Mary saw first hand how difficult it was to juggle all of the responsibility." Kaye remembers lots of hours babysitting her brother Ken. Myra had Kaye's husband Steve in English class. Kaye recalls her mother often joked "If I'd known you were going to marry Steve, I'd have given him A's."

Myra may not report to the classroom every day, but she will still follow the action of her favorites, the Clinton Maroons. We'll all miss seeing her here, but she has our best wishes for a long, healthy, and happy retirement.

## *Together We Can*

The slogan "Together We Can" was originated by the varsity Maroons' football team in 1988. This slogan was a big hit! It continued to be the key motivation that helped lead the varsity girls' volleyball team to win the regionals in 1989.

However, the "togetherness" has not only been stressed in several of our athletic programs but also in our clubs and organizations as well.

Together the Clinton High School C.A.P.-T.A.I.N.S. spent months preparing for the Teen Intervention Day that was held on January 25, 1989. In order for the sophomores, juniors, and seniors to

participate, the frosh were bused to the Clinton United Methodist Church to attend an all day "Parents too Soon" session. The purpose of this day was to present question and answer sessions regarding teen concerns.

Another instance of togetherness occurred when the all-female-cast play STEEL MAGNOLIAS was chosen as one out of five to present their play at the Krannert Center for the performing arts in Urbana.

Working together seemed to make it easier to get through the year without the usual stress and anxiety.

# MAKING NEWS

Many names and faces made the covers of magazines and hit the headlines in 1988. Movies and rock groups were especially popular.

NEW EDITION was on the move with a new member, Johnny Gill, and a new album—"Heartbreak"—. Olympic runner FLORENCE GRIFFITH JOYNER, the glamour girl of the track, dazzled the 1988 Summer Olympics in Seoul. Chubby Checker got into the dancin' mood with the FAT BOYS. It has been four years since MICHAEL JACKSON'S "Thriller" was released; now he's back with a new album "Bad." One of the musical groups that consistently topped the charts with hit after hit was VAN HALEN. A rowdy new group called GUNS N' ROSES hit the scene in 1988 and won MTV's Best New Artist Award. The Irish rock group U2 wallowed in the applause during the Grammy Awards in New York. MIKE TYSON, the heavyweight boxer of the world, and his wife, actress ROBIN GIVENS, were consulting divorce attorneys by the end of the year. GEORGE BUSH AND DAN QUAYLE became the new 1989 President and Vice President of the United States. The British rock group DEF LEPPARD got on the comeback trail in 1988 after a four year absence.

Only the banner headlines of 1989 will reveal whether or not these people will remain newsmakers.

# *IN MEMORIAM*

Staci Lee Graves  
January 4, 1971—October 9, 1988

## A Poem About Staci

Staci was a giver; she gave us so much.

She gave of her smile, infectious as such.

She gave effort and quality as part of her team.

Her energy as endless—supercharged she did seem.

She was blessed with such charm; it surfaced with ease.

She loved life and its people—she was anxious to please.

She came and she went; our lives she did bless.

Thank you dear Staci for the loving memories you left.

## WE MADE IT!

The senior class of 1989 began the year electing class officers. Soon after, they began building their float for Homecoming. After placing fourth in the float competition two years in a row, it was quite an accomplishment to receive a second place this year, with the theme "Grind them dogs!"

Because the students were so eager to tear down the decorations before the judging took place, the seniors only received a third in the Christmas hall decorating contest.

Senior t-shirts were again ordered and sold, and in late February the senior class favorites were chosen.

Attempting to raise money for their senior class trip to Cincinnati, the class members held a dance with senior Scott Fort and C.C.H.S. graduate Dave Innis as D.J.'s. They also sold popcorn and candy to fund their trip.

# Selecting Favorites: A Tough Task

The selection of senior favorites turned out to be an arduous task. Voting had to take place three times before enough ballots were available to select the necessary 28 senior favorites.

On a brisk February morning, these seniors set out in their warmest clothes for the beautiful "Winter Wonderland" of Weldon Springs State Park. Each couple picked a particular area in the park for their picture to be taken. Once there, they dared to step out of the bus only for the brief moment it took to snap their photo.

Mr. Bauersachs EAGERLY accompanied the seniors, that is, until he could no longer feel his toes; then he thought otherwise. Despite frozen noses, ears, and cameras, snowball fights, and broken promises by a certain principal to take us all to lunch, many unique pictures were taken.

All aboard for Weldon Springs!

# Senior F A C T S

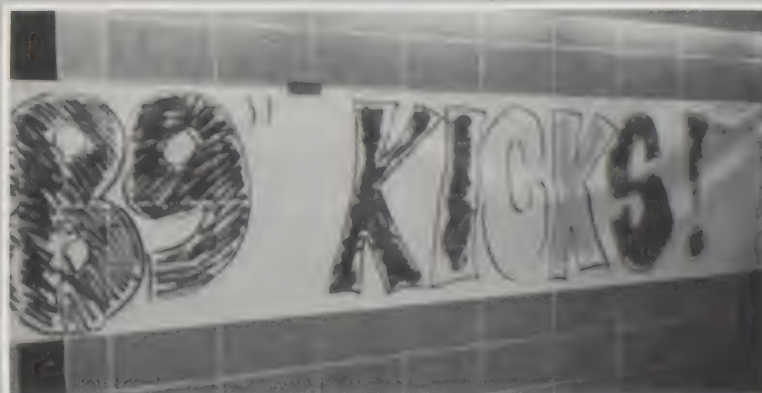

Are we a little grouchy today?

School started on August 24, 1988. Senioritis began on August 25, 1988. Seventeen seniors went on the senior trip. All but three of those seniors sang the school song over the intercom system on the B&B Riverboat Cruise. According to Sherrill Leslie, the average senior thinks about sex every three seconds. Hmm . . . Upon graduating from high school, the average senior has gone to school 1,056,000 minutes since kindergarten. Only one senior will be attending college on an athletic scholarship and one on a vocal scholarship. Seniors are asked an average of 5 times a day, "What are you going to do after high school?"

Surprise, Larry!

## *Class of '91 Raises \$\$\$*

The class of '91 got off to a good start, due to the fundraising efforts in the selling of posters and concession stand sales. Their hard work raised the class balance to around \$800, and they even planned a lightbulb sale for spring.

The class took a third in the '88 Homecoming float contest, after finishing first their freshman year.

## ***Freshmen Get Involved***

The Freshman Class participated in several activities throughout the first semester of the 88-89 school year. These ranged from money-making to school spirit projects. Many students, as well as parents and teachers, took part.

At the beginning of the year, they raised money by working the concession stand during the first home football game. The class officers and sponsor, Ms. Rhodes, worked behind the counter cooking hot dogs and pouring soft-drinks. Thanks to the patrons they raised enough money for their float.

The freshman float placed third in the running. Their theme was "It's in the bag." It had a bulldog sticking out of a grocery bag. The freshmen worked three nights to build the prize-winning float.

The week before Christmas, all classes competed in a hall-decorating contest. Balloons were placed on the doors and walls, lockers were wrapped, and ribbons were strung all over. The freshmen placed second behind the juniors.

During the second semester, all freshmen attended a workshop for "Parents Too Soon." Abby Motsinger and Tricia Lowery met with representatives from "Parents Too Soon" to set up the workshop. Students were let out a day of school.

For the first year of high school, freshmen kept busy. Volunteers to help were abundant. Hopefully this enthusiasm will continue for the next three years.

# *ACTIVITIES*

# Homecoming 1988

Homecoming 1988 King and Queen: Bret Harris and Terra Shepherd

The 1988 Homecoming week, held from September 26-30, produced several changes from those same events held in the past. There was not only the crowning of a queen, but also that of a king. The cheerleaders and members of the 1959 football team joined in on the homecoming festivities by returning to boost the school spirit. Thursday was the night chosen for the parade and the crowning of the queen and king instead of the usual Friday. Once again Spirit Week came, and the students and faculty were entertained daily as the participants bounced into the classrooms. On September 26, students dressed in their jams and

leis for California Beach Day, followed by Millionaire Day on Tuesday, Farmer Day on Wednesday, Crazy Day on Thursday, and finally Maroon and Gold Day, traditionally on Friday.

The annual Homecoming Parade began at 6:30 p.m. on September 29 and made its way to the high school. At Sprague Stadium the students gathered together all of their enthusiasm for a chance of leaving school early on Friday. Earlier in the day Mr. Bauersachs had told the student body that the class that showed the most spirit at the pep rally would be dismissed early on Friday.

# FFA Wins First Place

In the float competition, FFA was thrilled with a first place win. The seniors earned a proud second, and the sophomores and freshmen tied for third. Then the hard-working football players of the 1988 season were recognized for their talent. At last, it was time for the moment of truth—the crowning of the queen and king. This year's candidates were Angie Cutright, Natalie Dulany, Angie Ijams, Cindy Riegel, and Terra Shepherd, along with Darin Benz, Tom Conaty, Rodney Goodwin, Bret Harris, and Tom Zwick. Plenty of excitement and cheering filled the air as Terra Shepherd and Bret Harris were crowned 1988 Homecoming queen and king. After the commotion calmed down, everyone then proceeded to the parking lot for a bonfire.

## *Maroons Fall To St. Teresa*

The Maroons fell to the St. Teresa Bulldogs (27-12) at the Homecoming Game on September 30. The Maroons scored first on an interception run back by Scott Stirrett in the first quarter, but St. Teresa sneaked back into the lead before halftime on a five-yard run. On the Maroons' last touchdown drive, Rodney Goodwin dived over the goal line from one yard out after St. Teresa lost about 15 yards in three successive penalties. After the game, a reception was held in the cafeteria for the alumni.

The Homecoming Dance was held on October 1 from 8-11 p.m. in the cafeteria with the theme "Hold on to the Night."

OPPOSITE PAGE—Upper left: Chris Ware and Leslie Andrews volunteer to help collect money at the Homecoming Dance. ## ♥♥ 'n Stuff

The 1989 Sweetheart Dance, the second formal dance of the year, was found to be better than par for pure dancing pleasure. From the "twist" to a display of "head-banging" by Vince Joss, the CHS upperclassmen really rocked the Junior High since the CHS carnival dance was at the high school. Music was supplied by Impact Entertainment and D.J.'d by Phil Bates, which kept things moving with a good mix of pop hits as well as some classics.

Crepe paper streamers accented with red hearts lined the walls of the Junior High gym. These were put up during the afternoon by hard working student council members.

Refreshments of heart-shaped sugar cookies decorated with pink frosting and red hots were served, along with red gingerale punch.

Center left: Singles Emmabelle Kleiss, Lauri Lipke and Tonia Turner plan dating and dance strategies. ## ***JUNIOR-SENIOR PROM 1989***

Upon entering the 1989 junior-senior prom, many individuals and couples were intrigued by the pink castle that stood high in the corner of the gym and the balloon-filled Cinderella-like stage coach that accompanied it. In spite of freezing rain and high winds, once again valet parking attendants met individuals and couples at the door in order to park their vehicles. "MAGIC," this year's band, played a variety of pop songs and repeated the theme song, "When I'm With You." At 9:00 p.m. the 1989 prom court was introduced as follows: Cindy Riegel, escorted by Darin Benz; Janell Korneman, escorted by Rodney Goodwin; Angie Cutright, escorted by Adam Cornell; Tara Torbert, escorted by John Hampton; Natalie Dulany, escorted by Judd Hayes; and Gretchen Bruner, escorted by Mike Greenslate. The 1989 prom queen and king were

Gretchen Bruner and Mike Greenslate. Then the king and queen, along with their court, danced to a slow, dreamy tune. The 1989 junior-senior prom, indeed, was a major social gathering. For some, it was their first prom, while for others, it was another chance to be with their friends and marvel at the beautiful decorations.

After-Prom was held in the high school. Everyone had a choice as to whether he wanted to play volleyball, basketball, or dance in the commons. However, most of the people decided to join in the extremely competitive volleyball game. Movies were shown in the auditorium for those who did not feel quite so active.

Overall, the prom proved to be a magical evening for the juniors and seniors and their guests.

# ***"Female" Steel Magnolias***

On November 18 and 19 of 1988, Clinton High School was the first high school in the nation to present STEEL MAGNOLIAS. Set in a Louisiana beauty parlor, the play follows the lives of two beauticians and their clients. Director D. Ann Jones received special permission to produce this play, as it was still running successfully on Broadway, and the Midwest premiere in Chicago was just days before it was performed in Clinton.

The all-female cast included Andi Boyum, Brandee Bruce, Jennifer Griggs, Kate Nagy, Stephanie Quimby, and Amy Schon.

The play was invited to be performed at the 14th Illinois High School Theatre Festival on January 7, 1989, at The Krannert Center at the U of I in Champaign, Illinois.

In the third row are Larry Raglan, Lee Peacock, Matt Michel, Rodney Goodwin and Brain DeMent. Not pictured are Steve Johnson and Ed Wollet.

## MAY 16 AWARDS ASSEMBLY

An all-school assembly was held to honor students at Clinton High School for achievements during the 1988-89 school year.

The following students were named outstanding in the individual departments: Larry Raglan, agriculture; Evelyn Barillas, art; Angie Cutright, business; Shae McKee and Brandee Bruce, social studies; Lee Peacock, industrial arts; Janell Korneman, English; Todd Sprague, foreign language; Chris Dodd, home economics; Derek Taubert, mathematics; Bonnie Dodd, vocal music; Marlin Underwood, instrumental music; Mark Cooper, dramatics; Betty Griffith and Rodney Goodwin, physical education; Tom Zwick, computer programming; and Betty Griffith and Derek Taubert, science.

Principal Jerry Bauersachs chose juniors Mary Bixler and Scott Reeser for his "I Dare You Award"—the boy and girl from the junior class who have dared to make the most of their abilities.

The Xerox Awards for the humanities were presented to Melissa Archey and Scott Reeser.

Angie Cutright presented the Broken Mirror Award, passed from a senior girl who won it as a junior, to a present junior, Jenny Lowers.

The new DeWitt County Federal Savings and Loan Award for a business major was presented to Angie Cutright by Dixie Walden. McDonald's Ray Kroc Award went to Janell Korneman. Derek Taubert is the Illinois nominee for the Department of Energy High School Honors Program, specifically the supercomputer Honors Program.

Dean Adams presented the Auto Mechanics club Scholarship to Andy Leimbach. Amy Schon received the best Thespian Award from Sponsor D. Ann Jones. Athletic Director Ron Goodwin presented the athletic awards to Bret Harris and Tiffany Burns.

Janell Korneman, CLINTONIA Yearbook Edi-

tor, surprised retiring teacher Myra Westray by announcing that the 1989 yearbook would be dedicated to her. Westray has taught in the Clinton High School English department for 28 years.

Stuart Ross Glenn, sophomore, was selected to represent CHS at the Hugh O'Brian Leadership Conference at Illinois Wesleyan. The American Legion Auxiliary chose Julie Utterback and Tiffany Burns as delegates to Girls State.

Clinton Education Association scholarships went to 1989 graduates Angie Cutright, Brandee Bruce, Melissa Archey, Janell Korneman and Betty Griffith; to 1988 graduates Denise Deavers, Jill Monroe, Tony Moore and Sheila Short; and to 1987 graduates Brian Adcock, Amanda Bruce, Corey Case and Paula Thrasher.

# C.A.P.T.A.I.N.S. Sponsor Teen Intervention Day

The Cornbelt Conference formed a new group this year called C.A.P.T.A.I.N.S. C.A.P.T.A.I.N.S., coaches/sponsors and pupils/parents teaming against inappropriate negative situations, unite the leaders from each of the schools in the conference.

In August the groups came together at East Bay Camp for a weekend to discuss issues that affect teenagers.

On January 23, they sponsored Teen Intervention Day. This day was designed to talk to students on a variety of social topics they run into every day. Speakers came from groups like Planned Parenthood, C.A.R.E., Illinois Teen Institute, S.A.D.D., and Birthright. Students chose and attended which classes they were interested in, with an hour set aside for lunch, which included a dance in the gym.

## *Michel Leads Team To 9-10*

The Golf Team had a great turnout this year which enabled them to play a junior varsity schedule as well. They finished with a 9-10 varsity record and a 4-2 j.v. record. They placed third at Regionals and were able to advance to Sectionals at Normal.

The team was led by senior Matt Michel who was voted the Most Valuable Player for the fourth year. Michel placed first at Regionals and Sectionals and went on to place twentieth at the State Tournament in Danville. He also holds the school record with a stroke average of 38.3 during his career at CCHS.

Troy Gyuran, Chad Tuggle, Jim Schneider, and Pat Goodman improved their scores from last year. Tuggle lowered his yearly average from 53.6 the previous year to 47.82 this year.

The Girls' Varsity Volleyball team won their Regionals for the first time since Districts in 1981. The Lady Maroons defeated Mahomet 15-2, 15-7 in the championship game, then lost to Westville in Sectionals 15-9, 11-15, 11-15. They went from a record of 7-19 in 1987 to a record of 16-11 in 1988.

Coach Karl Diener had the honor of recognizing four seniors, Angie Cutright, Natalie Dulany, Jill Gordon and Robin Heath, for their hard work and dedication to the team over the past four years. Heath was named to the All-Conference First Team and had the Most Attack Kills and Most Kill Assists. Dulany had the Best Passing Percentage, and Cutright had the Best Serving Percentage. Polly Schumaker had the Most Stuff Blocks, and she and Martina Underwood were named to the All-Conference Second Team.

The Junior Varsity team was 13-12 overall and finished second in the Decatur Eisenhower Round Robin Tournament. The J.V.'s were coached by Dorothy Rhodes. Derek Taubert and Chris Pitts contributed their time by keeping the stats for the third year.

The Cross Country Team may have been young but definitely were still competitive. This year Coach Mike Clark finally was able to have a separate girls' team. This enabled the girls to collect points and compete against other girls' teams.

The team finished fifth in the Cornbelt Conference with a dual meet record of 7-4. They placed third in Regionals and tied for thirteenth at Sectionals. At the Cornbelt Conference Championship, Ingrid Forsberg finished tenth to qualify for the All-Conference Team. Bill Ipsen and Tiffany Burns were selected as the Most Improved Runners for their strength and decrease in times at the end of the season.

## Squad Hits 22

This year's cheerleading squads were larger than ever before. There were 10 varsity cheerleaders, 1 mascot, plus 11 J.V. members. Both squads started out the summer attending camp at EIU. Each squad brought home "coveted" spirit stick awards, 7 superior, and 3 excellent ribbons.

At the Maroon and Gold preview in August the cheerleaders took pictures of every fall athlete to sell as buttons for fans. During homecoming they planned a community pep rally after the parade. They challenged the service clubs of Clinton to see who could raise more spirit at the rally. Another highlight was the combined effort of the junior high and high school pompon and cheerleading squads. Earlier in the week they organized, designed, and delivered 200 signs, one to every fall athlete's yard.

When football season was over, they prepared for competition in Peoria. The J.V. brought home a superior rating and 3rd place trophy, while the varsity received 7th place and a superior. The annual children's clinic turned out 116 girls and boys, due to the addition of a male mascot. The children cheered at the Feb. 10th home basketball game.

# *Squad Performs for Fans*

The 1988-89 "M" Squad started out this year attending UDC Camp at Eastern Illinois University for a week. The squad performed in such events as the Kenney Fall Festival, the Homecoming Parade, and the Clinton Christmas Parade, as well as home football and basketball games. In February they competed at Jacksonville in the Illinois Drill Team Association Competition, receiving third in their division. For money raisers the girls sponsored a "Back to School" dance on the first Friday after school started. Then they ran a booth at the Apple and Pork Festival, selling apple-caramel sundaes. In November they held the annual pompon clinic for grade school girls, which was performed for fans during halftime at a home basketball game. At the winter sports banquet, Angie Cutright was chosen the Most Valuable Member, and Dawn Lovall received the Most Improved award.

# Sophomores Win Championship

The Sophomore Football Team enjoyed a very successful and rewarding season. After putting aside the image, labeling previous Clinton football teams, they worked hard and went after the championship. The team captured the Cornbelt Conference Championship with a 22-6 win over Central Catholic, the last game of the season. Coaches Knutson, Bernard, and Gullone led the sophomores to a record of 5-2 overall and 4-1 in the conference.

## CLASS OF '92 LOOKS GREAT

Twenty-seven freshmen made their debut against the sophomore football squad at the Maroon and Gold preview night after an unseasonably hot summer of long practices. The newest Maroon football team started out the season on a high note, winning on the road at Coal City with a score of 12-7.

Their three other wins came against Pontiac, Argenta-Oreana, and Stanford Olympia, two of which were shut-outs.

The freshmen, led by Coach Urban and Coach Triezenberg, closed out the season with a record of 4-4.

# Spirits Soar

The 1988 season was a disappointment in terms of "wins and losses." The Maroons did keep their spirit up and improved as the season went along, playing their best game vs. Olympia, the last game of the year. With only nine seniors on the team, the future looks bright. Any success that they have in the future will have been helped by the leadership of this year's senior class. It would have been easy to quit, but no one did that. They might have been DOWN this year, but never OUT!

Two seniors and one junior were named to the All-Conference Teams. Tom Conaty was named to the 2nd team defensive end, Rodney Goodwin was named to the 1st team defensive end, and Scott Stirrett was named to the 2nd team defensive back. Conaty was this year's Best Lineman, and Goodwin received the Best Defensive Back and Most Valuable Player. Jeff Hammer was the Leading Tackler, and Eric Owens received the Best Special Teams Player. Stirrett was chosen as the Most Improved Player. Paul Wilke, a junior at Deland-Weldon High School participating in the sports co-op program, was selected as the Most Dedicated Player.

## *J.V.'s Aim To Continue Their Success*

The 1988-89 J.V. Wrestling squad had a very successful season this year. Their dual meet record was 12-2-0. They were also successful in their tournaments with the team placing third or better in every tournament they participated in. Coach Nagel and Coach Bernard are looking forward to next season when these wrestlers will repeat their achievements.

# Wrestlers Dominate Season

This year's wrestling team fielded seven sectional qualifiers, four state contenders, and one state championship. Danny Barclay won the 140 pound championship at the Assembly Hall during the state tournament. Along with Barclay, Mat Lipke, Scott Morlock, and Jeremy Eveland, all competed well at the state tournament.

During the season, the team posted championships in the Clinton Holiday Tournament, the Litchfield, Gibson City, Eureka Tournaments, and at the team Regionals. Over all, the 1988-89 Clinton wrestlers did an exceptional job. Awards given at the end of the season during the Winter Sports Banquet were the 3-D award to Morlock (3-D stands for desire, dedication, and determination), Most Pins by Lipke, Most Improved to Kevin Deavers, and the Most Valuable Wrestler was Barclay.

Upper left: Matt Sexton looks for the takedown. Left: Darrin Cooper settles in for the pin. Above: Mat Lipke struts the stuff that brought him to state.

# Lady Maroons Set Records

The Girls' Basketball Team finished their successful season with an overall record of 20-9 and a record of 6-4 in the Cornbelt, their last big win at Regionals. They also set a new school record for number of wins in a single season. The Lady Maroons were a young team with four freshmen, five sophomores, four juniors, and one senior. Coach Kiick expects them to do great things in the future.

During their season, Martina Underwood was the leader in points with an outstanding total of 658 points. Underwood also led with Most Steals, Most Assists, and Best Field Goal Percentage. Freshman Stacy Newberry had the Best Free Throw Percentage, and Senior Polly Schumaker had the Most Rebounds with 214. Underwood and Schumaker were named to the First Team All-Conference Squad.

# Maroons Leave Memories

The Boys' Varsity Basketball team finished the 1988-89 season with a record of 6-20 overall and a 2-10 record in the Cornbelt Conference. During the season they had many memorable highlights, but the best according to Coach Blessing was that of beating the Central Catholic Saints in "The Pit" for the third year in a row. For the 88-89 season, Matt Michel and Scott Reeser were named as captains.

Awards given were to Robb Taylor who received Most Valuable Player, as well as Honorable Mention in the Cornbelt Conference. He led the team in field goals with 51, 3-point field goals with 71 and with a total of 334 points. Michel and Trent Fairfield were named assistant leaders in Most Steals with 57 a piece. Brian Gregory won awards for Most Rebounds with 133, Best FIELD GOAL Percentage with 47.1%, Best Free THROWS Percentage with 77.6%, and the Maroon and Gold Award for taking the charge.

## ***FROSH FINISH 6-14***

The 1988-89 Freshman Basketball team finished the season with a 6-14 record. While winning only one conference game, the team played in several close games and displayed intense desire and enthusiasm, as well as steady improvement. Highlights of the season included a fourth place finish in the Maroon Tournament and a big win over Olympia early in the season. With the present attitude of the young Maroons, it is evident they have a bright future for the basketball program.

# Sophomores Dominate Track

The Boys' Track Team set up its season with a young squad of six freshmen, nine sophomores, and six juniors. Though it was a young squad of twenty-one, they dominated the track by setting seven frosh/soph records, with four sophomores going to state. The sophomores seemed to be the dominating force for the Maroon Tracksters. Joe Dougherty went to state for the 400 meter dash and, along with teammates Josh Turney, Eric Thayer, Brett Carter, and alternate Shawn O'Brien, in the 1600 meter relay.

Records were set during the season in the 300 meter intermediate hurdles by Shawn O'Brien with a time of 44.8. Awards were given to Marc Mills for Most Improved, Joe Dougherty for Most Dedicated and Most Valuable Track Person.

# Seven Named 'All-Stars'

The Girls' Softball team continued the string of successful girls' seasons this year. They had an overall record of 15-5 and a conference record of 7-3. Seven of the nineteen players, led by Coaches Austin and Rhodes, were named to the Cornbelt Conference Team. Dena Whitney and Cindy Riegel were named first team players along with Martina Underwood, Amy Galloway, and Kris Dahler for the second team. Melissa Schumacher and Ann Scoles were named Honorable Mention.

They wrapped up their season with an awards picnic at Weldon Springs. Underwood received the Most Valuable Player, and Stacy Newberry was named Rookie of the Year. Dahler received the Most RBI's with a total of sixteen, Scoles received Best Glove, as well as The Most Steals with a total of 17 stolen bases throughout the year. Schumaker received the Best Bat Award with an average of .469. Whitney and Riegel shared the Most Improved Award, and Galloway was named the Hardest Worker.

# PLAYERS RECEIVE AWARDS

Trent Fairfield and Robb Taylor were the recipients of special awards recently for their contributions to the Clinton High School baseball team. Junior Trent Fairfield was recognized as the team's most valuable player. He also received the award for highest batting average. Pitcher Robb Taylor received the award for lowest ERA, 2.97. Fairfield, who was a unanimous selection for the Corn Belt Conference, all-conference baseball team, compiled a .415 batting average. Fairfield hit two triples, six doubles and 17 singles over 65 trips to the plate. He drove in eight runs and stole eight bases. During the 1989 season, Taylor, also a junior, struck out 70 batters and walked 42 batters over 10 games. He allowed 63 hits and 43 runs, but only 27 of those runs were earned.

The Maroons finished the 1989 season with a loss to Mahomet in the second round of the Mahomet Regional. The team's final record was 9-15.

## ***ORGANIZATIONS***

# *NHS Organizes New Induction*

Ten seniors returned in the fall of 1988 to take up National Honor Society activities. After much planning and preparation and lots of hard work by Angie Cutright, the group conducted a new form of induction on March 2, 1989. After dining at Avanti's that afternoon, the fifteen junior and senior candidates were formally inducted that night at the first evening induction ceremony. Dr. Terry Fry was the guest speaker, and Tammy Clark sang, "Where Is Love?" Parents and friends were also invited to the ceremony and the reception following it.

The community work project took place in the city of Clinton. Members joined the Clinton Challenge to clean up and dispose of excess items and sold usable items at a yard sale held in the parking lot.

# Thespians Sponsor Drama Events

The CCHS Thespian Troupe #3151 was established in 1976. Since then, it has sponsored all school theater activities each year, including the most recent main productions, STEELE MAGNOLIAS and HOW TO EAT LIKE A CHILD AND OTHER LESSONS IN NOT BEING A GROWN-UP. The 1988-89 troupe also sponsored a dinner theater at the Clinton Country Club and Drama and Donuts (student-directed one-act plays). Since 1978, the Troupe has been attending the Illinois High School Theater Festival each winter. STEEL MAGNOLIAS was one of five plays selected to be performed at the state festival.

Thespian Officers: Marlin Underwood, vice-president; and Derek Taubert, president.

Thespians—Front row: Amy Schon, Kate Nagy, and Derek Taubert. Row 2: Dawn Rodgers, Brandee Bruce, Melissa Archey, Jeff Griggs, Angie Dunakey, Mark Cooper, and Bobby Hoffman. Row 3: Ryan Gerald, Marlin Underwood, Chris Pitts, Leslie Andrews, and Jennifer Griggs.

# Together We Did!

If eight is a lucky number, then the 1989 CLINTONIA staff was extremely fortunate. Eight seniors entered the class in the fall of 1988. As most students do, and these eight were no exception, they found the work never ending and the hours too few. They hit the streets in September to sell advertising to finance the book. They were extremely successful, and the merchants and business people of Clinton were very generous. With the financing taken care of, the next task was to mount the class mugs, organize senior favorites, sell yearbooks, attend a conference at the U of I, and meet deadlines.

Sometimes "eight was NOT enough," but they never gave up. Each student was unique, and they all worked well together. Janell Korneman was editor-in-chief and oversaw all of the publication. Natalie Dulany was the theme editor, Shea Woodridge was the activities editor, Jill Gordon was the sports editor, Angie Ijams was the organizations editor, Jim Nebel and Sherrill Leslie were the underclassmen editors, and Judd Hayes was the finance/business manager. All of these students were also involved in indexing the entire book, organizing the faculty and administration section, supporting the photographer on his visits here, taking candid photos for the CLINTONIA, and writing endless copy and captions.

Some days they were more like the "crazy eight," but they were a joy to work with.

## *Feliz Navidad*

The Foreign Language Club, sponsored by Mrs. Laffey, participated in many activities. During Homecoming week, several members worked on a banner for the annual banner contest. On December 22, the group held a Christmas party at Mrs. Laffey's house. Each member brought a gag gift and some sort of foreign cuisine for everyone to sample. Later in the year, the group dined at Chi-Chi's and Stephanie's to experience Mexican and French food. For the second year, the club promoted Foreign Language Week at school by labeling objects around the school with their Spanish and French meanings.

JETS Members—Front Row: Brandee Bruce and Betty Griffith. Row 2: Derek Taubert, Scott Reeser, Brian DeMent, and Kyle Nixon. Row 3: Sandra Welch, Melissa Archey, Tom Zwick, Shae McKee, and Ingrid Forsberg.

## ***JETS Win First Place***

Derek Taubert received the first place medallion in both the disciplines of Physics and Computer Fundamentals.

The JETS (Junior Engineering Technical Society) team did very well in competition in 1989. At the district level at Richland Community College, the team received first place for the third consecutive year. Individual winners were Lee Peacock, second place in engineering graphics; Scott Reeser, second place in math; Derek Taubert, first place in computer fundamentals; and Tom Zwick, second place in computer fundamentals. At Eastern Illinois University, the team earned the third place trophy. Derek Taubert received first place in computer fundamentals and physics and advanced to the state finals at the University of Illinois. There, he also won first place in computers.

Front row: Brian DeMent, Clay Stauffer, Max Wollet, Jeff Hammer, and Ed Wollet. Row 2: Dan Andrews, Ryan Gerald, Beverly Nannini, Jamie May, Tricia Lowrey, Todd Sprague, Erin Kelly, and Lucas Hicks.

## *Scholastic Bowl Fights On*

J.V. member Ryan Gerald, following in the footsteps of his sister, Angie, is showing real promise as a Scholastic Bowl scholar.

The Varsity Scholastic Bowl team of Clinton High School had a full schedule this year, starting November 1 and ending May 1. Although the win-loss record was less than 50 percent and the team was less successful than in past years, the members did beat some good teams. Varsity members were Jeff Hammer, Lisa McClelland, Brian DeMent, Ed Wollet, and Jamie May.

The Junior Varsity team had a new coach this year. Mr. Wollet from Webster School replaced Mr. Adcock from the high school. The J.V. team had the opportunity to win a trophy at the league round robin tournament, but they were unsuccessful. Members of the Junior Varsity team were Ryan Gerald, Max Wollet, Erin Kelly, Todd Sprague, Lucas Hicks, Dan Andrews, Beverly Nannini, and Tricia Lowrey.

## *Club Decorates Library*

The Library Club was sponsored by Mrs. Fields. As usual, the club decorated the library for Christmas, read and reviewed books for the library, and assisted at the public library with children's programs. This year's money-making project was selling personalized stationery and candy.

Library Club officers: Tara Koshinski, vice-president; Nickol Voorhees, president; Lauri Lipke, Student Council representative; and Lisa Brady, secretary.

Library Club members—Front row: Sandra Welch, Tara Koshinski, Nickol Voorhees, Lauri Lipke, and Lisa Brady. Row 2: Joseph Perring, Troy Torbert, and Gavin Sronce.

Guide Club: Front row: Deanna Butler, and Allena Dodd, secretary. Row 2: Kristen Kinder, Sandra Meseke, treasurer; Tammy Clark, and Mrs. Glasson, adviser.

## *Student Guides Greet Parents*

The Guide Club assisted in greeting new students, showing them the building, and ushering for parent-teacher conferences. Several of them took a field trip on December 22, to the DeWitt County Friendship Center to wish the senior citizens a Merry Christmas and Happy New Year. While there, the group enjoyed sharing stories, cookies, oranges, and singing Christmas carols. Officers elected were Amy Schon, president; Michelle House, vice-president; Allena Dodd, secretary; and Sandra Meseke, treasurer. Members included those mentioned as officers and Barbara Ruble, Deanna Butler, Francine Acuna, Kristen Kinder, Christy Maiden, Tami Higgins, Mary Johnson, Shannon Nelson, Brenda Barger, Candy Stukins, Betty Griffith, Melissa Milton, Sherry Reynolds, and Tammy Clark.

When Tammy Clark is not presiding over the Student Council or getting Mark Cooper into trouble, she works as a guide for parents on conference days.

# Art Club Has a Busy Schedule

The Art Club was extremely busy during the 1988-89 school year.

During Homecoming, they won the \$100 first prize for their banner and painted faces for Maroon and Gold Day.

After taking a field trip to Allerton Park to enjoy the many sculptures, the group returned to work at two game concessions to raise funds.

The club also participated in many art contests.

In October, they set up the "On My Own Time" exhibit. In the "Small Time/Two Bits" Art Competition, Lauri Lipke, Truc Nguyen, Melissa Archey, David Kreisher, and Josh Morrow were Honorable Mention winners; and Cindy Riegel's "Reflections" won the Purchase Award and became part of a traveling exhibit for 1989.

In the 22nd annual New Berlin Art Fair, ten CCHS students won various awards. The 7th annual Le Lycee Art Exhibit was a big success, as various Purchase Prizes, four Superior Ratings, and eight Honorable Mentions were awarded to Clinton students.

Other exciting activities of the Art Club were assisting artist Glen Davies with the new murals in the high school commons and visiting Six Flags.

The main ideas for the new murals in the commons were designed by the Two-Dimensional Design class.

Estha Garlotte helps paint the new mural for the library.

Art Club Members—Jason Karr, Evelyn Barillas, Sherrill Leslie, Francine Acuna, Deanna Butler, Brenda Barger, and Sherry Dodd.

# *Super Secretaries Get Involved*

The 1988-89 Super Secretaries had many entertaining activities planned for the year. At Christmastime, the group chose their "Secret Santas," had a Christmas party and gift exchange, and also took a shopping trip to Springfield. Later, former Super Secretaries Deanna Clark and Michelle Long came to speak to the group, and the girls took a trip to Lincoln's Home. As usual, the secretaries made Easter cards for the nursing home and held a cookout at Weldon Springs.

Super Secretaries Officers—Front Row: Joanna Woolridge, Student Council representative. Row 2: Brandee Bruce, vice-president; and Kate Nagy, president. Row 3: Tiffany Burns, social chairman. Absent is Nickol Voorhees, secretary.

# Council Initiates Newsletter

The 1988-89 Student Council began the year with a summer picnic at Weldon Springs, where they discussed the new newsletter and Homecoming activities. When school began, the council coordinated the Homecoming parade, Spirit Week, the Banner Contest, and the Homecoming Dance. After repainting the concession stand in the commons, the group prepared for Valentine's Day activities. Through the council's Matchmaker Survey, students could find out their most compatible classmate. Valentine flowers were sold, class Sweethearts were elected, and the Sweetheart Dance was held on February 18.

Student Council Officers—Front Row: Tammy Clark, president. Row 2: Chris Ware, treasurer; and Jeff Hammer, vice-president. Row 3: Melissa Archey, secretary; and Jill Gordon, parliamentarian.

Row 3: Tricia Lowrey, Anita Swearingen, Lauri Lipke, Abby Motsinger, Bill Hornback, Bill Anderson, Leslie Andrews, Angie Ijams, and Allena Dodd.

# *Auto Mechanics Raise Money*

The Auto Mechanics Club has been active by working at the concession stands at both boys' and girls' basketball games. With the money raised from these activities, the club gave a scholarship. The club met once a month, and Paul Staab from Staab Battery was once a guest speaker. Every other month, the club had an open lab where the members could come in to work on their own vehicles.

Auto Mechanics Club Officers—Front Row: David Vinson, president. Row 2: Andy Leimbach, vice-president; Jim Nebel, treasurer; and Chris Dodd, secretary.

Auto Mechanics Club Members—Front Row: Doug Bostwick, Lee Peacock, David Vinson, Rick Heath, and Bryson Crabtree. Row 3: Andy Leimbach, Jim Hansen, Robb Tennison, Rich Gaultney, Chris Dodd, and Jeff Barry.

# CHS Chorus Shines!

The thirty-one member CHS Chorus had a great sound in 1988-89. They kicked off Christmas festivities with the Christmas Holiday Concert and Christmas concerts at Lincoln and Douglas elementary schools. They then attended the IHSA Solo and Ensemble Contest in the spring. The group's busy schedule also included performing at the spring concert with Heyworth High School and Jr. High Choruses and the Clinton Jr. High Chorus, the Fine Arts Festival, the annual Spring Concert, and Baccalaureate. The members sold Easter candy to raise money for awards, a dinner theater trip, and T-shirts for the Spring Concert. Mr. Edd Powers also helped out by student teaching for nine weeks.

Chorus Officers—Front Row: Joe Perring, co-treasurer; Bobby Hoffman, co-vice-president; Jeff Griggs, president; Julie Perring, co-vice-president; and Bonnie Dodd, co-treasurer. Row 2: Tina Russell, librarian; David Hardwick, secretary; and Mark Cooper and Stacy Spurling, librarians.

Chorus Members—Front Row: Mrs. Tennill, Amy Buggar, Dawn Lovall, Shelby Graber, Julie Perring, Jennifer Brown, Tina Russell, Stacy Spurling, Jamie Sims, Bonnie Dodd, Tammy Clark, Dawn Griffith, and Teresa Dodd. ## *The CCHS Band*

Jazz Band Members—Front Row: Max Wollet, Nickol Voorhees, Todd Norrington, Tad Baird, Jeff Harrold, and Shane Stauffer. Row 2: Todd Sprague, Rick McGhee, Chris Ware, John Hampton, Vince Joss, Marlin Underwood, Jamie May, David Reed, B. J. Obermeyer, Clay Stauffer, and Chris Spurling.

Band Officers—Front Row: Patrick Goodman and Lance White, senior class representatives; Amy Schon, first vice-president; Ed Wollet, president; Clay Stauffer, second vice-president; and Keith White, sophomore class representative. Row 2: Josh Morrow, freshman class representative; Julie Utterback, junior class representative; Jenny Lowers, treasurer; Marsha Hoback, junior class representative; Sarah Olson, sophomore class representative, and Jason Drake, freshman class representative.

Flag Corps Members—Front Row: Tammy Eveland, Jennifer Sprague, and Lauri Lipke. Row 2: Tiffany Burns, Rita Ingram, and Anita Swearingen.

## *Busy, busy!*

The CCHS band, under the direction of Mr. Streight, had a very busy year. Since they were selected to play in a concert at Walt Disney World, the band spent much of their year raising money for their trip. Among other things, they had their own tent at the Apple and Pork Festival, had two pizza sales, a fruit sale, and a spaghetti supper before a basketball game. During all of this, the group still found time to perform at every home football and boys' basketball game, several parades, and three concerts. The Flag Corps, in its second year, bought impressive new uniforms and attended a technique session during the summer.

# *FHA* *Collects* *2,930 Cans*

The Future Homemakers of America participated in many activities during the 1988-89 school year. They began the year by sponsoring the annual canned food drive. At the end of that week, the grand total was 2,930 cans. Mr. Schultz's first hour class came in first place with 695 cans. Other activities of the Creative Cookery class included a cake decorating contest, preparation of cookies for the Sweetheart Dance, NHS induction, and eighth grade orientation, and the annual sale of Easter candy. Later during the spring, the group attended a session at ISU's day care center and visited Paula Lopatic, children's librarian, while she spoke on storytelling.

Chris Dodd won second place in the cake decorating contest.

Marcy Burns poses with the cans collected during the canned food drive.

FHA Members—Teresa Dodd, Mrs. Hogan, and Michele Blowers.

FFA Officers

Pat Costa and Christian Barillas tend the zoo animals.

# FFA Sponsors Zoo

The highlight of the year for the FFA members was the annual Farm Animal Zoo held for elementary school children. Kelly Moore was chairman, with around 1,000 people visiting the shop area to see the animals. The Chapter was also very busy receiving awards. Three awards were won at the National FFA Convention in Kansas City, attended by Rodney Brown, Robbie Webb, Adlai Sayers, Chad Tuggle, Kelly Moore, and Mr. and Mrs. Prather. The Chapter placed third in the state in the program of activities judging for the second year in a row and won the Section 16 participation contest for the fifth year in a row. Other activities included the addition of thirteen acres of land owned by the Clinton Community Association, judging contests, Food For America, and pond stocking.

The Chapter added four new members from the DeLand-Weldon school district. They were Bill Musick, Ashley Sayers, Chet Walters, and Adlai Sayers.

FFA Members—Front row: Chad Tuggle, Mark Mathias, Jeff Harrold, Rodney Brown, Kelly Moore, and Seth Redington. Row 2: Christian Barillas, Mike Harney, Les Trotter, John Shobe, Curt Ware, Greg Hale, Dan Morgan, and Robbie Webb. # *Chess Club Sends Five To State Tournament*

Mr. James Monroe, Sponsor.

The Chess Club, in its third year, was sponsored by Mr. Monroe. There were eleven students who participated on the team. Several junior high students also expressed their interest and were allowed to practice one night a week with the club. The Chess Club participated in the East Central Illinois Chess League. Nine meets were played at Urbana High School among the nine teams in the league. In addition to League play, the club also competed in the Martin Luther King, Jr. Tournament in Bloomington and the state chess team tournament in Rock Island. Participants in the state tournament were Vince Joss, Dan Zwick, Erin Kelly, Joe Perring, and Gavin Sronce, who also advanced to the individual state chess tournament in 1988.

Chess Club Members—Front Row: Gavin Sronce and Vince Joss. Row 2: Bill Day, David Reed, Dan Zwick, Joe Perring, Mr. Monroe, and Dan Andrews.

S.A.D.D. Officers—Front Row: Anita Swearingen, junior class representative; Tara Torbert, secretary; Melissa Archey, publicity coordinator; and Lauri Lipke, sophomore class representative. Row 2: Bill Hornback, vice-president; Matt Michel, president; and Bill Anderson, treasurer.

## *S.A.D.D. Is Formed*

S.A.D.D., which stands for Students Against Driving Drunk, is a recently formed national organization that is trying to make students aware of the dangers of drinking and driving.

The 1988-89 school year was the first year for the CCHS S.A.D.D. chapter. The group set out late in the year to make the student body aware of the organization, experiment with ideas and suggestions, and help the 1989-90 group to get a better start.

Throughout the spring, the group sponsored activities such as the Anything Goes Assembly, a dance, and the distribution of Contracts for Life.

They also met weekly and put reminders against drunk driving in the announcements every Friday.

Their goals for future years include continuing growth, raising money to promote activities, and establishing community involvement.

S.A.D.D. Members—Front Row: Jennifer Holmes, Tammy Clark, Julie Anderson, Mary Bixler, Anita Swearingen, Emmabelle Kleiss, Tonia Turner, Lauri Lipke, Tara Torbert, and Shae McKee. Row 3: Matt Michel, Bill Anderson, Dan Hornback, and Dale Sizemore.

# Seniors Enjoy Cincinnati

Seventeen enthusiastic seniors and Mr. and Mrs. Cors left early May 12 on a bus bound for Cincinnati, Ohio, for their senior trip. After a five hour drive, they arrived at the Kings Island Inn, unpacked, and went for a swim in the hotel pool. Despite the overcast weather the whole day, the group then took the bus to the shores of the Ohio River for a riverboat cruise. After a buffet dinner, the seniors were able to wander on the top deck of the boat and take in the riverfront sights. The highlight of the evening was the singing of the school song with the Dixieland band to the whole boat by several brave seniors. The group then displayed their own 80's style of Dixieland dancing while providing everyone else with a good laugh. All in all, it was a successful and enjoyable evening for everyone, and, luckily, no one got seasick!

Upon returning to the hotel, several seniors went swimming, and others toured the hotel. At midnight, most of the seniors met in one room to watch a movie, eat snacks, and talk. Despite the fact that everyone had to get up early the next morning, most seniors stayed up late and only got about three hours of sleep.

A rainy Saturday morning was the day planned to go to Kings Island. After trekking across a jungle of wet grass to and from a restaurant for breakfast, the group left the hotel by bus around 9:30 a.m. for a fun-filled day and night at Kings Island.

Most seniors attended shows such as the dolphin show, a song and dance show, and an ice skating show. They also rode the many rides and enjoyed the good food as they explored the park until 11:00 p.m., when a large fireworks display signaled the closing of the park.

Upon returning to the hotel, the seniors ordered pizzas and relaxed until early in the morning. After a few hours' sleep, the tired seniors and chaperones packed up and headed to the Cincinnati Zoo. Some of the most interesting sights were the rare white tiger and the aquarium.

Before returning to Clinton, the group stopped at a large Cincinnati mall for souvenirs and T-shirts. Then, the exhausted seniors made their way home.

The seniors pose on the riverboat cruise.

Mark Cooper, Ann Scoles, Tara Torbert, and Brandee Bruce pose with Captain Caveman at Kings Island.

Jim Nebel, Brian Vogel, and Darrin Bateson stay cool in the back of the bus while playing cards.

Friends are excited to ride the Vortex.

Chris Dodd poses with two of her favorite cartoon characters.

# 117 "Make It"

At 8:00 o'clock on May 31, 1989, the sixty-ninth annual commencement was held.

The evening began with the Invocation given by Pastor Stephen Livengood. Natalie Dulany gave the welcoming speech to the students, members of the faculty, families, and friends. Next several seniors, led by Director Kay Tennill, sang "Like An Eagle." Angie Cutright, class president, gave the address covering the events of the past year. Next the band, led by Director Dennis Streight, played "Sea Gate Overture." Gary Archey then presented the class of 1989 to Stephen Tuggle, who awarded the diplomas. Nearly all of the 117 graduates carried a yellow rose for class member, Staci Graves, who was tragically killed in October. The students placed the flowers in a vase as they crossed the stage to receive their diplomas, and took the flowers to her grave after the ceremony. The Benediction was given by Pastor Russ Tieken. With beach balls, confetti, and various other items flying, the graduates walked out to the traditional "Pomp and Circumstance."

## MAKING PROGRESS

In the spring of 1989, Department heads were asked about progress made in their departments during the year.

George Wylder of the Mathematics Department stated, "The 1988-89 school year has included a couple of changes in the Math Department. A new course, Discrete Math, has been added to the curriculum. Mr. Munds is teaching this class, and it has an enrollment of 10. We also acquired a Macintosh computer and a Laser printer. Many brochures and programs have been printed with the new equipment. The department has been writing test questions to use in a pilot test this spring. April of 1990 will be the first actual test for the State mandates of Clinton High Math students."

Pat Allison of the Business Department replied, "The Business Department is teaching two new courses this year: Word Processing and Information Processing. Two computers were installed in Mrs. Allison's room. Field trips included visiting State Farm, IAA, John Warner Bank, and the County Courthouse. We are still working with other business teachers in the region to standardize the business curriculum and develop objectives."

James Adcock of the English Department answered, "This year has been rather uneventful as far as changes are concerned. One major change came about due to the absence of Mrs. Triezenberg, who was gone the last part of the year to have a baby. Mrs. Michelle Hanneman took her place while she

was gone. She filled in beautifully.

"Probably the major project for the department was the result of the State of Illinois mandate that schools design learner objectives and tests to check achievement of students in these areas. The members of the department wrote the objectives the previous year and constructed a test in reading. That test was piloted last year and revisions were made this year, with the 'real thing' to be given the spring of '89. Also this year, members were asked to write a grammar portion of the writing test, which will be piloted this spring as well. Additionally, members are being asked to begin work on a literature test. These projects have more than kept the department busy."

## *Cards Locate “Misplaced” Students*

Mrs. Fields, the librarian, stated, “Change was the word in the library for the 1988-89 school year.”

“First, a new policy was instituted whereby students were issued library attendance cards allowing them to go directly to the library instead of first checking in at study hall. These cards were also helpful to Mr. Byrd in locating “misplaced” students from time to time.

“Another big change was the addition of a reference/class room. Reference materials, vertical files and the Readers’ Guides were moved into the room. Classroom teachers could schedule classes to meet there for purposes of research.

“The first steps toward an electronic card catalog were taken. A new IBM computer was installed which will, very soon, allow students to search for title, author, and subject by computer.

“Serious ‘weeding’ to rid the shelves of obsolete and damaged books was done in the fiction, biography and short stories sections. Replacement and new books are being ordered.

“Shelving order of books was redesigned for a more continuous flow.”

Mrs. Allison’s contacts are dirty today.

Mr. Diener kicks back to grade papers in the lounge.

Mrs. Jones directs the all-female cast of STEELE MAGNOLIAS, the fall play, at dress rehearsal.

Stuart Coon stated, "The 1988-89 school year began in earnest with multiple requests for schedule changes, additional courses and the usual scheduling of conferences with new freshmen and their parents to discuss long-term planning for high school courses and activities. Also, in September, we began seeing seniors who needed help with their college applications and recommendations.

"The Preliminary Scholastic Aptitude test was administered in October to sophomores and juniors. In early December, the Comprehensive Tests of Basic Skills was administered by the teachers in the homeroom setting. During this time, the seniors took the Armed Services Aptitude Battery, toured three local industries, and took a field trip tour of the new Richland Community College.

"The guidance office staff provides academic, vocational, personal, and group counseling along with numerous other services."

Jan Hogan reported, "Child care students visited Illinois State Day Care Center at Turner Hall in preparation for their own preschool. Also, Pat Danison from Dr. John Warner Hospital demonstrated how to use CPR on a preschool victim.

"Creative cookery students were experts in designing cookies for the Valentine's Day Dance and cookie platters for freshman orientation. Della Morris demonstrated her cake decorating skills to the class. Their final project was the buffet for the Spring Tea in May."

# *L. D. Program Involves Three Purposes*

Mr. Wylder  
Mr. Zartler

Marie Gormley stated, "There are basically three purposes of the L. D. program. The first is to tutor students in all academic areas. This involves reading tests to students, reteaching material, and clarifying assignments given by classroom teachers. The second purpose is to teach basic subject areas. The last purpose is to consult with students who are taken out of the program as well as to keep records. There are approximately 15 students in the program. All students have participated in two extra activities this year."

Al Austin reported, "New equipment added to P.E. this year was a side horse for the gymnastics unit.

"We have been working on state objectives and will have them complete before school is out this year. This material will be used by 1994-95.

"Bowling seems to be one of our favorite units with the students and attracts the largest classes. Archery runs second to bowling. We try to offer more individual sports than team sports because of the life-long effect with the students."

Mr. Coon is busy in the guidance office helping students.

Mr. Urban prepares himself for another day of hard work.

Mr. Lehman is still full of energy even in seventh hour.

Mr. Triczenberg looks great after becoming a daddy in March.

Galen Strain said, "The science department of Clinton High School is prepared to meet the educational needs of its students from now until the 21st century.

"Each member of the department was involved in their teaching and in helping the community.

"Betty Kline kept up with events in the human genome, world ecology, Weldon Springs State Park improvement, and Flora and Fauna protection in Central Illinois.

"Charles Lehman used his computer in the classroom and in the laboratory. He tried new lab experiments in biochemistry and kept track of the limnology of the local fishing hole.

"James Monroe worked on instructional goals in freshman science. He was also involved with mathematics and chemistry, and the development of new laboratory procedures in chemistry and general science. He coached the chess team of Clinton High School in his spare time."

Galen Strain reported that he, "... coached the Scholastic Bowl Team, recruited smart physics students, helped to repair and purchase new technological gadgets, and wrote a book about losing weight.

"Joel White celebrated a winning season as the J.E.T.S. sponsor, spent his free time on the computer, talked on the amateur radio set to South America and Canada, and dreamed up better ways to entice students to learn general chemistry and physical science.

"The members of the department at Clinton High School have been together since the new high school opened in the fall of 1972. Every member of the department is looking forward to another exciting year next fall!"

DeAnn Jones reported, "The Clinton High School Chorus was busy this year performing in five concerts including a Christmas program. They also participated in the I.H.S.A. solo and ensemble contest, making the school proud by bringing back many honors. Student teacher, Edd Powers, was very helpful to all of the Choral students throughout the year.

"The Clinton High School Band performed in two major concerts this year. The highlight of their year, though, was a trip to Epcot Center in Florida in April. While there, the members visited several other Florida attractions.

"The art students participated in seven contests and brought back forty-one awards for a proud victory. Projects with the nursing home and a Christmas float were also among their activities.

"The theatre arts students were involved in the fall play, STEEL MAGNOLIAS. The Dinner Theatre and the spring musical, HOW TO EAT LIKE A CHILD, were included in their other activities."

Mr. Munds is taking a quick break from his McIntosh computer.

Mr. Kiick and Miss Farley are keeping up with their younger competitors.

## *Making Everything Work*

Mrs. Werts hangs on for the ride of her life.

Mr. Knutson flashes his smile after becoming the putting champion in his golf class.

At the beginning of the 1988-89 school year, nearly 350 students were using the bus service to get to and from school.

# Project Graduation

The 1989 CCHS seniors went out with a bang. After many weeks of preparation and hard work by the Project Graduation Committee, the third annual Project Graduation, held on May 31, at the Clinton Elk's Lodge, proved to be a big success. Around 60 graduates attended the party. Upon entering, they were videotaped while explaining their plans for the next ten years for a tape to be shown at the ten-year reunion. The evening continued with lots of food, prizes, dancing, and movies. The friends also gathered to play Win, Lose, or Draw and the casino games until 5:00 a.m. Then, the graduates ate doughnuts and told some of their funniest high school memories. For the next hour, the graduates bid on the many items purchased at Wal-Mart in a \$1,700 auction. Many lucky people won such things as a T.V., electric typewriter, microwave, ten-speed bike, car stereo, and dishes. The evening concluded with the friends posing for a group photo while tearfully singing the theme song, "Lean On Me." It was a fun evening and a wonderful last memory for the Class of '89.

Clockwise, top to bottom: Natalie Dulany and Jeff Griggs make the most of the funky music and show off their "rap" style of dancing. Tom Conaty tries to pass the beach ball while "superman" Brian Vogel leaps into the air. Friends gather at the Blackjack table. Best friends forever: Brandee Bruce, Amy Schon, and Kate Nagy show off their Project Graduation T-shirts. Eddie Wollet was one of the many guys who participated in the ping pong tournament.

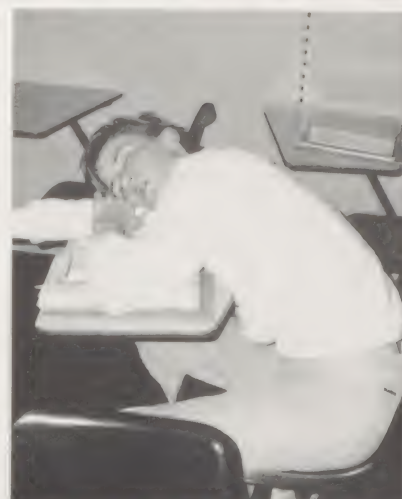

Clockwise, from top left: Amy Schon is just one of the many brave graduates who succeeded in the limbo contest. Friends have a great time winning all of that money! Many prizes were won and a good time was had by all at the auction. Darrin Bateson shows his moves on the dance floor. Jill Gordon uses her best artistic abilities for Win, Lose, or Draw. Tom Conaty and Rodney Goodwin enjoy the pizza and the company of their friends.

Although "Together We Can" was our theme for this year, these pictures indicate there were some who found it tough going. We have purposely omitted the names of those who gave in to slumber or seclusion and whose mottos now read "Together We Tried, but Couldn't."
